I have read the SMMUSD Telecommunications Acceptable Use Policy. I understand that network access and the Internet is a world-wide group of hundreds of thousands of computer networks. I know that the Santa Monica Malibu Unified School District does not control the content of these Internet networks. When using the Internet, I realize that students may encounter material I might consider inaccurate, controversial or offensive. I understand that my child may keep this access as long as the guidelines described in the Telecommunications Acceptable Use Policy are followed.
